

A FIRE TIP #12

DREAM BIG!

In TIP #3, we asked you to think small. Often it's the little things that we overlook that are needed the most.

HOWEVER, we don't want that to deter you from dreaming big! Think of all the Christians throughout the ages who changed the world for the better because they were inspired by the Holy Spirit to DREAM BIG!

- Florence Nightingale established a nursing school
- Mother Teresa founded a home for the dying (free hospice care for the poor)
- Dorothy Day founded the Catholic Worker Movement
- William Booth founded the Salvation Army

Why not share your favorite role models on the [private Facebook page](#) to inspire others?

Meanwhile, **DREAM BIG!** Do you envision a Christian treatment center, sober living community, recovery school, or some new support system?

PRAY, PERSEVERE, and TAKE ACTION!

We are here to help you!

**“With man this is impossible, but not with God;
all things are possible with God.”**

Mark 10:27
