

# AFIRE TIP #10

## RESOURCE WEBPAGE

### **CREATE A RESOURCE WEBPAGE ON YOUR CHURCH'S WEBSITE**

Many parishes / congregations are providing a resource page on their church's website for the community to easily access.

#### **Some ideas that might be included on your page are:**

- Local Events
- Local Support Groups and Recovery Groups
- Educational and Inspirational Articles and Links
- Spiritual and Religious Resources
- Diocesan Resources
- Podcast, Webinar, and YouTube Links
- Important News Updates and Government Policy Changes
- Helpful Phone Apps for Support and Recovery

**A number of important national resources are provided in the AFIRE leaders' and members' portal.** Please peruse them, and share them with your community. You can then help your specific community with local resources (in addition to providing the national resources).

Don't hesitate to reach out to us for information, resources, and/or more ideas:
